The poster features a blue sky background with clouds. At the top, logos for HK KF (Hong Kong Kidney Foundation), Hong Kong Science and Technology Development Council, and others are visible. The main title '第2屆 HONG KONG KIDNEY DAY 香港護腎日' is in large, colorful characters. Below it, '精靈健腎嘉年華' is written in a stylized font. Three diagonal banners contain the slogans: '腎臟健康齊關注', '有病早醫莫遲疑', and '一對腎臟常健康, 精靈防病最平安'. A central circular area lists event details: Date (2004年6月27日), Time (中午12時至下午5時), Location (香港理工大學EF翼平台), and Content (free seminars, health checks, games, etc.).
